

The clear choice for  
beauty from the  
inside out

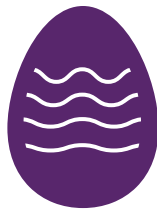

biovabio

BiovaBIO® has been clinically proven  
to aid in these 3 key areas:

**HAIR HEALTH**

Reduces hair breakage  
and improves hair  
growth in 4 weeks\*

**CROWS FEET**

Reduces the  
appearance of crows  
feet in 4 weeks\*

**SKIN TONE**

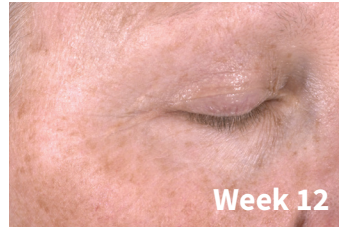

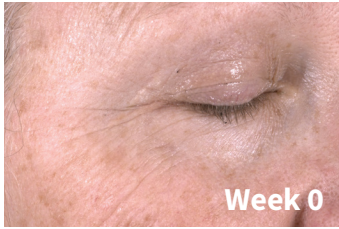

Improves the  
appearance of even  
skin tone in 8 weeks\*

BiovaBIO® water-soluble egg membrane (WSEM) is a nutri-cosmetic ingredient that supports overall skin health and offers proven elemental building blocks to support the essential needs of the skin.

Our patented process maintains the natural ratios of skin nutrients found in egg membrane, and creates a water-soluble, formulation-friendly ingredient.

# BiovaBIO® CLINICAL SUPPORT

450mg once per day oral supplementation resulted in the following significant results:

Reduction in the appearance of fine lines in 12 weeks.

Reduction in the crow's feet in 4 weeks.\*

## Additional results include:

- » Reduction in hair breakage in 8 weeks\*
- » Increase in hair thickness in 4 weeks\*
- » Improvement in the appearance of even skin tone in 8 weeks\*
- » Improvement in hair growth in 12 weeks\*

## The Amazing Actives of Egg Membrane

- COLLAGEN** / Peptides that promote skin strength, elasticity, cohesion and firmness
- ELASTIN** / Protein which gives tissue the elastic tension and ability to resume its shape after stretching
- ALL 9 ESSENTIAL AMINO ACIDS** / Cannot be synthesized by the human body, these crucial nutrients must be obtained through diet
- GLYCOSAMINOGLYCANS (GAGS)** / Including glucosamine, chondroitin, and hyaluronic acid: vital polysaccharides which serve as structural components of connective tissue, interstitial fluids, and cartilage matrix
- TRANSFORMING GROWTH FACTOR PROTEINS** / Including Ovocalexin, Ovocleidin, and Ovotransferrin which play a crucial role in tissue repair

## FORMULATING WITH BiovaBIO®

BiovaBIO® promotes hydration and provides nutrients that support elasticity, skin tone and resilience. BiovaBIO® is manufactured using a gentle process to achieve the optimal molecular weight, protein, collagen and elastin levels and to ensure the lowest possible scent, color and ash. All of Biova's ingredients are quality manufactured according to cGMP standards.

### BiovaBIO® is ideal for nutri-cosmetic ingestible applications:

- Off-white color
- Very mild flavor
- All natural
- 100% made in the USA!

### BiovaBIO® is water-soluble for multiple delivery options:

Confectionary  
Gummies/Chews

Powders  
Stick Packs

Tablets  
Capsules

Beverages  
Effervescent

### PRODUCT SPECIFICATIONS

**CAS:** 227025-36-6

**Product Source:** Egg Membrane

**Molecular weight:** ≥3000 kDa

**Form:** Sprayed dried powder

### INGREDIENT PROFILE

**Total Protein** ≥88%

**Collagen** ≥15%

**Elastin** ≥20%

**Total GAGs** ≥5%
